sslONE™ Corporation launches the SelectSite™ Trust Logo Program to empower the Internet Security and Trust Identity.

"We are very pleased to announce the release our SelectSite™ Trust Logo Program. This type of Trust Logo is available to any existing SSL Certificate holders including those who have SSL Certificate from our competitors. The key of this product is the speed of the insurance, SSL Certificate holder will be insure for \$10,000. This insurance will definitely help eCommerce website to give more confidence and trust to its customers and visitors.", says Mr. Sy Ho, President and Chief Executive Officer of sslONE™ Corporation.

"The lack of real-time trust and insurance of a website is a huge barrier to a truly successful eCommerce environment. SelectSite™ Trust Logo will surpass this huge barrier by delivering trust, confidence and peace of mind to customers with its insurance cover.", says Mr. Hieu Ho, Vice President and Chief Technology Officer of SupraLink Solutions.

"Many customers are lost at the point of sale simply because they do not want to risk an online transaction. SelectSite™ Trust Logo will help to overcome such consumer fears by its strong real-time validation and insurance. Our unique [Point to identify™] technology and [Click to verify™] technology, play a key role on the SelectSite Trust Logo product.", says Mr. Tim Nguyen, Vice President of Solutions Network.

For more details on the SelectSSL™ Certificates, SelectSeal™ Trust Logo, SelectSite™ Trust Logo and SelectCard™ Trust Logo, please visit the sslONE™ Corporation website at [www.sslone.com].
